create and
share
insensitive
content?

**DO YOU
EXPRESS YOURSELF
APPROPRIATELY
ONLINE?**

**CYBER WELLNESS
FRAMEWORK**

THINK before you post

Is it
True
Helpful
Inspiring
Necessary
Kind?

I should not use vulgarities.

Express yourself authentically online

I should not hide behind another person's identity online.

About Me:

Refrain from comparisons and seeking validation online

I shouldn't be reliant on the approval of my peers. I won't let social media determine how I should view myself.

Share healthy and positive content with one another

This is not a nice thing to say.

4 TIPS

to express yourself appropriately online!

THINK before
you post

Express yourself
authentically
online

Refrain from
comparisons
and seeking
validation online

Share healthy
and positive
content with
one another
