

Welcome Back!

Briefing Slides for Release of O-Level Results

Dear students,

As we gather here today, let us all celebrate our efforts!

Think about your opportunities

Remember that **everyone's** learning journey is different
but **we** can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the O-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.
