Briefing Slides for Release of N-Level Results

Dear students,

As we gather here today, let us all celebrate our efforts!

Finally, we are going to get our results!

Think about your opportunities

*Are we all going to
be okay?*

Remember that **everyone's** learning journey is different
but **we** can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Calm yourself down. Take a few deep breaths.

Think

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision and take action based on your options.

When you receive your results, you may experience a range of emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

**Keep a lookout for
some of these signs
in your peers or
yourself.**

another?*

Keep a lookout for your friends in distress. You can support them in the following ways:

Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for Nitec and Higher Nitec courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the 3-year Nitec Programme (eNFP)

If you are eligible for eNFP, make sure you apply for the 2-year Nitec and 3-year Higher Nitec first before applying for eNFP!

The eNFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your Nitec course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!
