Welcome Back!

Class of 2021

Celebrate Efforts

The N-Level is a culmination of years of hard work and perseverance.

Let's celebrate our efforts regardless of the results.

Let's mark the end of the academic year by reflecting together on all our previous successes in school and the challenges we have overcome!

REALIZE THAT YOU
ARE NOT ALONE,
THAT WE ARE IN THIS
TOGETHER AND MOST
IMPORTANTLY THAT
THERE IS HOPE.

Deepika Padukone

Think Opportunities

As you await your GCE N-Level results,
there are some possibilities:

- You are happy that your results meet your expectations,
- You are overjoyed that your results exceed your expectations, or
- You are worried/upset because your results fall short of your expectations.

Many pathways and opportunities!

Remember that **everyone's learning journey is different**
but we can each have a fulfilling outcome!

No matter the circumstances, there is always a way forward.

Stop

- Stop any unhelpful thoughts or actions that would make you more upset.
- Inhale deeply and exhale slowly using 10 counts as you relax your muscles.
Acknowledge your emotions.

Thin
k

- Think through the different options that are available for you. Keep things in perspective.
- Remember that the N-Level is just one part of your life journey and not the destination.

Do

- Approach a trusted adult and seek his/her help. Have a conversation with this person about what would be best for you.
- Make a decision based on your options and take action.

When you receive your results, you may feel overwhelmed by emotions.

Managing these emotions well will allow you to stay calm and make rational decisions.

Reaching out for help is a sign of strength, not weakness.

If you have any concerns or are not coping, do reach out to someone you trust and speak with them. It could be a parent/guardian, teacher, School Counsellor or a friend that you can talk to.

Having difficult emotions during a stressful and uncertain period is normal.

Keep a lookout for some of these signs in your peers or yourself.

Supporting Your Friend

We may each experience different emotions upon receiving the results. You can share your friends' joy by congratulating them or give words of encouragement to friends who may be disappointed with their results.

Keep a lookout for your friends in distress. You can support them in the following ways:

Calm them down

"Are you ok? Calm down, take a few deep breaths."

Hear them out

"I am here to listen to you." or "I am here for you."

Empathise with them

"It sounds like you are disappointed." or "It seems like this is a difficult time for you."

Encourage seeking help

"Thanks for sharing. Why don't we speak with a trusted adult who can help?"

Refer your friend to a trusted adult

"Let's talk to our teacher or our School Counsellor so they can better support you. Do share your feelings with your parents/guardians too. Would you like me to accompany you?"

Key Pointers for Students on ITE's Joint Intake Exercise (JIE) for Admission to Nitec Courses

ALL N(T) students and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.

Keen competition for Nitec and Higher Nitec courses, so use all 12 choices wisely!

Participation in Main Phase is key to secure a place in ITE!

If you are keen in the work & learn option, you may consider applying for the ITE Traineeship programme. Do apply in the Main Phase to avoid missing a place in ITE!

If you are unsuccessful in EAE, make sure you apply in Main Phase to avoid missing a place!

If you have received an additional letter, then you are eligible for the 3-year Nitec Programme (eNFP)
